Dear Parents/Guardians/Community Members,

Last Friday we celebrated NSW Public Schools Education Week. I would like to thank all the parents, grandparents, community members, students and staff for making it such a wonderful day. We filled the hall with visitors and the kids put on some fantastic performances. Thank you to the P&C who supplied us with a lovely morning tea. The weather tried to put a dampener on the afternoon but was unsuccessful with all the students having fun as they moved through groups enjoying some sports and games.

Special thank you to all the grandparents who braved the chilly weather and attended our day, it was lovely to see you all here, sharing in our celebrations.

Don’t forget to book your table for the DPPS P&C Trivia Night as tables are starting to fill quickly. The theme for the night is ‘Back To School’ so if your game, dress up and be in the running for some extra prizes. Guaranteed to be a great night out!

Today I will be in Albury helping out at the Riverina Athletics Carnival, I will hopefully have the chance to cheer on Shauntae and Harrison as they compete in their respective sports, Good luck to both of you!

We have started enrolling Kindergarten students for 2015, we expect to start our transition program early term 4, if you know of anyone not directly involved in the school who has a child eligible to start school, could you please let them know that enrolment applications are available at the school office.

Regards

Richard Busby
Principal
