Dear Parents/Guardians/Community Members,

On Saturday night I was privileged enough to be invited to the Apex changeover dinner, where I was presented with a very generous donation to put towards the 5/6 excursion. On behalf of all the 5/6 students and parents, I would like to extend our humblest gratitude for your generosity.

Congratulations to the School’s Debating Team who were victorious in their efforts last week. They won their prepared debate against Lake Wyangan and followed up with a win against Yoogali in the impromptu debate. Special thanks to Mrs Guest who helped the team prepare for the day.

NEW SCHOOL APP
Darlington Point PS is trialling a new smartphone app for the remainder of the year. This app has been designed to further streamline the communication between school and home. At the moment you can download the app onto any smartphone, just search Darlington Point in either the Apple App Store or Google Play store. The username and password are as follows.
Username: community
Password: darlingptonpts
At the moment the ‘Notifications’ aren’t being pushed to the app but hopefully this problem will be rectified soon.

SAFETY WARNING
Magpies are swooping again!
During the breeding season, usually between August and November, magpies can become very aggressive and will swoop and attack passers-by. It is recommended that if children are being swooped by a Magpie they should try and find an alternative route to school. Magpies are a protected native species in Australia, so it is illegal to kill or harm them.

Student should not arrive at school until 8:50am. There is no supervision available until this time. We appreciate parents keeping their kids at home until then.

Regards
Richard Busby
Principal
