On Saturday, the conduct of our students made me very proud to be part of this wonderful school and its community. All of our students were on their best behaviour as they marched in the procession and stood and listened at the service.

Special mention to Aisha, Brad, Tanieka and Rohan for their bravery and efforts to deliver the ANZAC day address to the large crowd that had gathered, well done!

Our ANZAC service held on Friday was also very successful, thanks to Mrs Wood. We had several special guests attend our service and also join us for morning tea.

The Year 6 students were given the opportunity to join the morning tea and listen to some of the stories being shared around. In this photo Mr Ryan had the boys enthralled with stories of his uncle from WW1.

School Contributions
This year’s school contributions have again been set at $30 per student or $50 per family. This year the staff would like these funds to target some new outdoor seating for the COLA area and for an upgrade of the school’s high jump mats. For these projects to happen we will need to raise approximately $3000.
Health with 3/4

3/4 are looking at systems of the body and body parts in Health. In groups, students brainstormed different body parts and placed them in their correct position on body pictures. We discussed what some of the body parts do; why they are important; and what they look like. The kids had great fun labelling each other’s various body parts with sticky notes.

NATIONAL ASSESSMENT PROGRAM LITERACY AND NUMERACY (NAPLAN)

Next week NAPLAN tests will be completed by Year 3 & Year 5 students at our school. The results of the tests will provide important information to our school about what each student can do, and will be used to support teaching and learning programs. Additional information about NAPLAN can be found at [www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html](http://www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html)
