Our school is thrilled to be involved in this year’s Creative Catchment Kids (CCK) program. This year Laura, Aisha, Chloe, Rohan, Maddison and Justin will represent our school. At a recent workshop the students were involved in a tutorial on how to develop a school reader based on a Local Land Hero who is managing a pest species in the Murrumbidgee Irrigation Area. As well as completing a book this year, the CCK team will be involved in a field trip. The Creative Catchment Kids program is an initiative of Wirraminna Environmental Education Centre, at Burrumbuttock and is supported by the Riverina Local Land Services. Over 15 schools from the MIA are involved in this engaging initiative.

School Contributions
This year’s school contributions have again been set at $30 per student or $50 per family. This year the staff would like these funds to target some new outdoor seating for the COLA area and for an upgrade of the school’s high jump mats. For these projects to happen we will need to raise approximately $3000.

Would You Like Chips With That?
Due to the trimming and removal of several trees in the school grounds recently we have a large supply of bark chips available for sale. We are selling the chips at $10 per trailer or ute load and you must load it yourself. All money raised will go towards buying some new outdoor furniture for the students. Please pay at the front office and arrange a suitable time to load.
