**P&C Canteen ******* Please Read***************

**Things to Note**

- The canteen will no longer open at recess or lunch. Lunch orders only.
- **Any money currently held in the canteen will be returned to students this Friday.**

**School Contributions**

We are still a long way off reaching our goal of $3000. Reaching our goal of $3000 means that we are able to afford new resources for the students of our great school, this year’s contributions have been earmarked for new outdoor furnishings and new sporting equipment. Contributions are set at $30 per student of $50 per family.

**Congratulation to Darcy, Jett, Bryce, Rohan, Jed and Henry for winning the first round of the Public Speaking competition. All students were asked to tell us why Darlington Point was such great place to visit / live and present their speeches in class. The best speeches were then chosen to be said at assembly. The second round of public speaking will be held later in the year.**
Homework Centre in Full Swing.

To take some of the burden off parents, it was decided that the staff in conjunction with the parent body, start a homework centre. This program runs from 3:30 until 4:30 pm on a Wednesday afternoon and is attended by a range of students across the school. The staff usually takes it in turns helping out at the homework centre and parent helpers are very welcome to come and help or even ask questions of their own. All we ask is that the kids come along with a good attitude, their homework and maybe something to nibble on if they get hungry.
